24-HOUR REPORT

19 JUNE 2018

(U) CALIFORNIA

(U) Agua Dulce – More Than 500 Guns Seized from Southern California Homes

(U) Authorities have seized more than 550 guns at two Southern California homes and made one arrest after getting a tip that a convicted felon was storing an arsenal. Sixty-year-old Manuel Fernandez was arrested last week after Los Angeles County sheriff's deputies and state and federal investigators raided his Agua Dulce home. Searchers found 432 rifles and handguns, then returned later and found 91 more hidden weapons. Thirty guns were seized at another home believed linked to an associate of Fernandez. (U) Texas – Stolen Truck Leads to the Discovery of an Alleged Stash House

(U) Laredo – Border Patrol agents in the Laredo Sector along with the Texas Department of Public Safety (TDPS), arrested seven undocumented immigrants who were found in an alleged stash house. Agents received a tip from the TDPS regarding a stolen vehicle parked at a stash house. When agents arrived they found seven undocumented immigrants living inside the home. The individuals are believed to be from Mexico. All subjects were processed and the stolen truck was seized by the TDPS.

(U) Ohio – Six Arrested Following Seizure of \$3.4 Million in Cocaine Brought From Mexico to Ohio

(U) Columbus – Six people have been arrested following the seizure of 75 pounds of cocaine. The arrests were made in Columbus after authorities gathered evidence indicating the drugs were being transported from Mexico to Columbus in a semi-truck. Investigators served a search warrant on a warehouse where they say an estimated \$3.4 million of cocaine was found. More than \$500,000 in cash, two stolen firearms, and multiple vehicles were also seized.

(U) Singapore – Singapore Was the Top Cyber Attack Target During Trump-Kim Talks, Says Report

(U) Singapore – Singapore was the top cyber attack target around the world during the Trump-Kim summit, with the country experiencing close to 40,000 attacks during the 12 June meeting, according to data collected by American technology company F5 Networks and its data partner Loryka. N5 Networks found that cyber attacks “skyrocketed” from 11 June to 12 June. Eighty-eight percent of the 40,000 attacks were launched from Russia. The company could not verify the attacks were state sponsored.
